III. Other information:

1. Reasons of inadequate profit:

At present, the Company has been making adequate profits, however, the Company has been focusing on increase in production capacities and explore and widen the market and for the purpose, the Company has been implementing the expansion cum modernization program by Internal accruals, to meet with the increasing demand of the products of the Company. However, stiff competition in Market from Organized and Unorganized Sectors and other external factors such as recession & general economic slowdown and depressing business environment and conditions, huge rise in raw materials and volatile market conditions of Raw Materials including Iron & Steel Products, in Domestic and International markets, are among other factors, adversely affecting the Company's performance, suppressing margin available to the Company. Therefore, the limits specified under Section 197(1) read with Schedule V of the Companies Act 2013 and the Listing Regulations, may be exceeded during the term of appointment.

2. Steps taken or proposed to be taken for Improvement:

The Company has initiated certain steps such as widening the customer based, exploring new markets, adoption of stringent cost control measures, reducing borrowing cost by availing Finance at cheaper rates, improving efficiency etc. Though, the prices of raw materials and products are influenced by external factors, the Company is making all possible efforts to hedge and improve the margins by negating and entering into longer period of contracts.

3. Expected increase in productivity and Profits in measurable terms:

The Company is very conscious about improvement in productivity and undertakes constant measures to improve it. It has commissioned an expansion plant at Dahej which would commence its commercial productions within two to three months, however, it is mixed economy which provide threat to the business and challenges for effective management hence it is extremely difficult in the present scenario, to predict profits in measurable terms.

In the opinion of the Board, Mr. Ashwinbhai Kantilal Shah fulfils the conditions for re-appointment as Independent Director as specified in the Act and Listing Regulations. Mr. Ashwinbhai Kantilal Shah is independent of the management.

The Company has received a notice in writing from a member under Section 160 of the Act proposing the candidature Mr. Ashwinbhai Kantilal Shah for the office of Director of the Company.

Brief resume of Mr. Ashwinbhai Kantilal Shah

Mr. Ashwinbhai Kantilal Shah is Bachelor of Commerce and a Law Graduate having 40 years of in depth experience in the field of Law, Accounts, Administration and Corporate Management.

The Company has immensely benefited from Mr. Ashwinbhai Kantilal Shah, during the tenure as an Independent Director and thus recommend the resolution for his re-appointment as an Independent Director, for the second Term, as set out at Item No. 4 of the accompanying notice.

Other than Mr. Ashwinbhai Kantilal Shah himself, none of the Directors, Key Managerial Personnel and their relatives are in any way, concerned or interested, financially or otherwise, in passing of the resolution proposed. This statement may also be regarded as an appropriate disclosure under the Listing Regulations.

Item No. 5

At the 30th AGM of the Company held on 24th September, 2022, the shareholders had approved appointment of Mr. Sanjaykumar Dalsukhbhai Shah (DIN : 00123523) as an Independent Director to hold office for the period of 5 (five) consecutive years upto 23rd September, 2027.

In accordance with Regulation 17(1A) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015, consent of the shareholders by way of Special Resolution shall be required for continuation of directorship of Non-Executive Directors of the Company who have attained the age of 75 (Seventy-five) Years.

Mr. Sanjaykumar Dalsukhbhai Shah, who is B.Com. FCA., the practicing Chartered Accountant, having 45 Years of experience in Accounts Audit, Finance and Taxation of Corporates. The Independent Director of the Company, would attain the prescribed age limit on 14th September, 2024, during the midst of the proposed second term of re-appointment.

In the opinion of the Nomination and Remuneration Committee and the Board of Directors of the Company, considering the wealth of experience of Mr. Sanjaykumar Dalsukhbhai Shah and the immense value to the Board and the Company, the continuation of his directorship beyond 75 (seventy-five) years of age would be in the interest of the Company and its shareholders, hence board recommends the re-appointment of Mr. Sanjaykumar Dalsukhbhai Shah during the midst of second term of 5 (five) consecutive years.

Except Mr. Sanjaykumar Dalsukhbhai Shah himself, none of the other Directors or key managerial personnel of the Company or their relatives, are concerned or interested, financially or otherwise in passing of this Resolution.

Item No. 6

The Board of Directors has appointed M/s. Y. S. Thakar & Associates, Cost Accountants, as the Cost Auditors of the Company for the financial year 2022-23. A Certificate issued by the above firm regarding their eligibility for appointment as Cost Auditors will be available for inspection at the registered office of the Company during normal business hours on any working day, excluding Sundays and Holidays.

As per Rule 14 of the Companies (Audit and Auditors) Rules 2014, the remuneration payable to the Cost Auditors is to be approved and ratified by the shareholders. The Board has decided to pay the remuneration of Rs.55,000/- + GST to M/s. Y. S. Thakar & Associates as Cost Auditors as mentioned in the resolution and the same is placed before the shareholders for consideration.

None of the Directors or Key Managerial personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 6.

The Board of Directors accordingly recommends the resolutions set out at Item No.6 of the accompanying Notice for the approval and adoption by the members.

20. Management Discussion and Analysis:

In terms of the provisions of Regulation 34 of the SEBI (Listing Obligations and Disclosures Requirements) Regulation 2015, the Management Discussion and Analysis has been given hereunder.

a. Industry Scenario/India key market trends :

The global economy in FY 2022-23 showed signs of resilience due to lower food prices, easing supply chain disruptions, stronger than expected consumption and investment and a buoyant labour market. This is despite the challenges thrown up by geopolitical conflicts post Russia-Ukraine War. Global inflation touched at all-time high of more than 8% with many developed economies witnessing double digit inflation figures for the first time in many decades. This led the central bank across the globe to simultaneously hike interest rates to tame inflation. As per World Economic Outlook of IMF, the global growth for 2023 was estimated at 3.4 percent.

b. Opportunities and Threats :

Macro-economic risks: Fluctuations/ changes in the global markets such as the recent Financial Meltdown, Regulatory or Political changes, Steel Price Fluctuations and alterations in the competitive landscape like expansion project by competitor, entry of new competitor could affect the Company's operations and outlook. Any adverse movements in economic cycles in the Company's target markets could have a negative impact on the Company's performance. The Company's presence in multiple, diverse markets assists in reducing the impact of losses.

c. Outlook :

Even outlook looks positive in FY 2023-24, the recent rapid rate hike may have impact on credit. The agriculture sector may have badly impact due to El-Nino factor. The global downturn, its effect on exports and inadequate capacity utilization of Corporates that inhibits future expansion.

Indian economy was fastest growing economy in FY 2022-23 with estimated growth of 7.2 percent. (as per NSO), higher than the trend rate and the growth of the other major economies. As per the Economic Survey, the economy is expected to grow at the rate of 6.5 percent in FY 2023-24 on the back of robust revival of agriculture, services, consumptions, stable corporate performance and increased capital expenditure by the government. India is currently 5th largest economy in the global world. India's underlying growth potential is fundamentally strong and macro- economic indicators are stable.

d. Risks and concerns:

- i. Risk related of Raw Materials: Risks associated with key procurement relationships include:

- a. the availability of raw materials, more particularly Iron & Steel ;
- b. the price of raw materials may be subject to material changes in world-wide pricing levels;
- c. Very high input costs such as freight and electricity and frequent fluctuation in raw material prices in the market ; and
- d. key supplier relationships may be lost or impaired, contracts renewed on less favorable terms or exit of key suppliers from the market.

The Company plans well in advance to procure the raw materials from the domestic reputed supplier located in different parts of the country to mitigate risk relating to availability of raw materials.

e. Internal Control System and their Adequacy:

The Company's internal audit system has been continuously monitored and updated to ensure that assets are safeguarded, established regulations are complied with and pending issues are addressed promptly. The Audit Committee makes a note of the audit observations and takes corrective/remedial actions wherever necessary. It also maintains constant dialogue with statutory and internal Auditors to ensure that Internal Control system are operating effectively. Based on its evaluation (as provided under Section 177 of the Companies Act, 2013 and Clause 18 of SEBI Listing Regulations), the Audit Committee has concluded that as of 31st March, 2023, the Internal Financial Controls were adequate and operating effectively.

M/s. CNK & Associates LLP, Chartered Accountants, the Statutory Auditors formed an opinion that the Company has, in all material respect, an internal financial control with reference to financial statements of the Company and such internal financial reporting are operating effectively. The criteria for financial reporting as established by the Company considering the essential components of internal control as stated in the Guidance note on Audit of Internal Financial Control over Financial Reporting issued by the Institute of Chartered Accountants of India and a report on the internal controls over financial reporting as defined in Section 143 of the Companies Act, 2013.

Independent Auditor's Report

To,
To The Members of
GUJARAT CONTAINERS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Financial Statements of GUJARAT CONTAINERS LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independence requirements that are relevant to our audit of the Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there are no key audit matters to communicate in our report.

Information other than the Financial Statement and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Board's Report including Annexure to that Board's Report, Corporate Governance, and Shareholder's Information, but does not include the Financial Statements and our auditor's report thereon. The Board's Report including Annexure to Board's Report, Corporate Governance and Shareholder's Information are expected to be made available to us after the date of this auditor's report. Any Material misstatement thereon pertaining to it, will be reported thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error;

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so;

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation;

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Company of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit;

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards;

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A", a statement on the matters specified

in paragraphs 3 and 4 of the Order, to the extent applicable.

- VIII. According to the information and explanations given to us, Company has no transactions which were not recorded in the books of account, have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961)
- IX. (a) Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender;
- (b) Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the Company is not declared wilful defaulter by any bank or financial institution or other lender;
- (c) Based on the procedures performed by us and according to the information and explanations given by the Management, we report that the term loans were applied for the purpose for which the loans were obtained;
- (d) Based on the procedures performed by us and according to the information and explanations given by the Management, we report that no funds raised on short-term basis have been used for long-term purposes by the Company;
- (e) According to the information and explanations given to us, and the records examined by us, the company has no subsidiaries, associates or joint ventures. Accordingly, reporting under the clause 3 (ix) (e) and (f) is not applicable.
- X. (a) Based on the procedures performed by us and according to the information and explanations given by the Management, the Company has not raised moneys by way of initial public offer or further public offer including debt instruments, and term loans were applied for the purposes for which those are raised during the year;
- (b) Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Therefore, the provisions of paragraph 3(x)(b) of the Order are not applicable.

- XI. (a) During the course of our examination of the books of account and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information and explanations given to us, we have neither come across any incidence of fraud on or by the Company noticed or reported during the year, nor we have been informed of any such case by the management;
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- (c) As represented to us by the management, there are no whistle blower complaints received by the company during the year.
- XII. The Company is not a nidhi company and hence the reporting under clause 3(xii) of the order is not applicable to the Company.
- XIII. Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the Company is in compliance with Section 177 and 188 of the Companies Act where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the Financial Statements as required by the applicable accounting standards;
- XIV. (a) In our opinion and based on our examination, the company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered report of the internal auditors for the period under audit;
- XV. Based on our verification of the documents provided to us and according to the information and explanations given by the Management, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with him. Therefore, the provisions of paragraph 3(xv) of the Order are not applicable.
- XVI. Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and therefore, the provisions of paragraph 3(xvi) of the Order are not applicable.
- XVII. Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the Company has not incurred any cash losses in the financial year and in the immediately preceding financial year.
- XVIII. There has been resignation of the statutory auditors during the year and we have taken into consideration the issues, objections or concerns raised by the outgoing auditors.
- XIX. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- XX. (a) Based on our verification of the documents provided to us and according to the information and explanations given by the Management, there are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.
- (b) Based on our verification of the documents provided to us and according to the information and explanations given by the Management, the company has not spent amount towards Corporate Social Responsibility (CSR) on ongoing project. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable for the year.
- XXI. As the Company is not required to prepare consolidated financial statements, reporting under clause 3(xxi) of the Order is not applicable.

ANNEXURE “B” TO THE INDEPENDENT AUDITOR'S REPORT**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of GUJARAT CONTAINERS LIMITED (“the Company”) as of 31st March, 2023 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls : The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to financial statements of the Company that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility : Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements of the company were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements of the company and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting : A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting : Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion : In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an internal financial controls with reference to financial statements of the Company and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS

1. COMPANY OVERVIEW AND SIGNIFICANT ACCOUNTING POLICIES:

1.1 Description of Business

Gujarat Containers Limited is an ("the Company") is a public limited company, incorporated under the provisions of the Companies Act, applicable in India. Its registered office is located at plot no. 488, baroda- Savli Highway, Vill. Tundav, tal. Savli, Dist. Vadodara – 391775.

Its shares are listed on the Bombay stock exchanges. The Company primarily is in manufacturing of variety of specialized Barrels.

1.2 Basis of Preparation of Financial Statements

i. Compliance with Ind AS

The Financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Act to be read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter.

ii. Historical cost convention

The financial statements have been prepared on a historical cost basis, except the following:

Certain financial assets and liabilities that are measured at fair value;

Defined benefit plans – plan assets measured at fair value.

iii. Functional and presentation currency

These financial statements are presented in Indian Rupees, which is the Company's functional currency, and all values are rounded to the nearest lakhs, except otherwise indicated.

iv. Composition of Financial Statements

The financial statements comprise:

- Balance Sheet
- Statement of Profit and Loss
- Statement of Cash Flow
- Statement of Changes in Equity
- Notes to Financial Statements

1.3 Key Accounting Judgments, Estimates and Assumptions

In preparing these financial statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Any change in these estimates and assumptions will generally be reflected in the financial statements in current period or prospectively, unless they are required to be treated retrospectively under relevant accounting standards.

2.1 Significant Accounting Policies and Other Explanatory Notes

A. Property, Plant and Equipment:

i. Recognition and measurement

Freehold land is carried at cost and not depreciated. All other items of property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items.

Income and expenses related to the incidental operations, not necessary to bring the item to the location and condition necessary for it to be capable of operating in the manner intended by management, are recognized in the Statement of Profit and Loss.

If significant parts of an item of property, plant and equipment have different useful life, then they are accounted and depreciated for as separate items (major components) of property, plant and equipment.

An Item of Property, Plant and Equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss on disposal of an item of property, plant and equipment is recognized in the Statement of Profit and Loss.

ii. Subsequent Expenditure

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

iii. Depreciation

Depreciation is recognised so as to write off the cost of the assets (other than freehold land) less their residual values over their useful lives, using the Straight Line Method on the basis of useful lives specified in part C of Schedule II to the Companies Act, 2013.

B. Intangible Assets:**i. Recognition and measurement**

Intangible Assets are stated at cost of acquisition less accumulated amortization and accumulated impairment, if any. Amortization is done over their estimated useful life on straight line basis from the date that they are available for intended use, subjected to impairment test.

ii. Amortization

Software, which is not an integral part of the related hardware is classified as an intangible asset and is amortized over the useful life of 3 years.

iii. De-recognition of Intangible Assets:

Intangible asset is de-recognised on disposal or when no future economic benefits are expected from its use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the Statement of Profit and Loss when the asset is de-recognized.

C. Impairment:**i. Non - financial assets**

At each balance sheet date, the Company assesses whether there is any indication that any property, plant and equipment and intangible assets with finite life may be impaired. If any such impairment exists, the recoverable amount of an asset is estimated to determine the extent of impairment, if any. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and value in use. If the recoverable amount of the asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised in statement of Profit and Loss.

D. Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee**(A) Lease Liability**

At the commencement date, the Company measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments shall be discounted using incremental borrowing rate.

(B) Right-of-use assets

Initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives.

Subsequent measurement**(A) Lease Liability**

Company measure the lease liability by (a) increasing the carrying amount to reflect interest on the lease liability; (b) reducing the carrying amount to reflect the lease payments made; and (c) remeasuring the carrying amount to reflect any reassessment or lease modifications.

(B) Right-of-use assets

Subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying asset.

Impairment

Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value

less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

Short term Lease:

Short term lease is that, at the commencement date, has a lease term of 12 months or less. A lease that contains a purchase option is not a short-term lease. If the company elected to apply short term lease, the lessee shall recognise the lease payments associated with those leases as an expense on either a straight-line basis over the lease term or another systematic basis. The lessee shall apply another systematic basis if that basis is more representative of the pattern of the lessee's benefit.

As a lessor

Leases for which the company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Lease income is recognised in the statement of profit and loss on straight line basis over the lease term.

E. Inventories:

Inventories are measured at the lower of Cost and Net Realizable Value. The cost of inventories is based on the first-in first-out formula, and includes expenditure incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their present location and condition.

Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses. The Net realisable value of work in progress is determined with reference to the selling prices of related finished products.

F. Investments and Other Financial Assets:

i. Classification:

The Company classifies its financial assets in the following measurement categories:

Those to be measured subsequently at fair value (either through other comprehensive income, or through Statement of Profit and Loss), and

Those measured at amortized cost.

The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in Statement of Profit and Loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt or equity investments when and only when its business model for managing those assets changes.

ii. Measurement

At initial recognition, in case of a financial asset not at fair value through profit and loss, the Company measures a financial asset at its fair value plus, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through Statement of Profit and Loss are expensed in Statement of Profit and Loss.

- (a) Amortized cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost.
- (b) Fair Value through Other Comprehensive Income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through Other Comprehensive Income (OCI), except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in Statement of Profit and Loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit and loss and recognized in other gains/ losses. Interest income from these financial assets is included in other income using the effective interest rate method.
- (c) Fair value through profit and loss: Assets that do not meet the criteria for amortized cost or FVOCI are measured at fair value through Statement of Profit and Loss. Interest income from these financial assets is included in other income.

Trade Receivables:

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the marketplace (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

iii. Equity Instruments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in OCI, there is no subsequent reclassification of fair value gains and losses to Statement of Profit and Loss. Dividends from such investments are recognized in Statement of Profit and Loss as other income when the Company's right to receive payment is established.

Changes in the fair value of financial assets at fair value through profit and loss are recognized in other gain/losses in the Statement of Profit and Loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

iv. Derecognition

A financial asset is derecognized only when

- (a) The Company has transferred the rights to receive cash flows from the financial asset or
- (b) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

G. Cash and Cash Equivalents:

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and highly liquid investments with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from the operating, investing and financing activities of the Company are segregated.

H. Financial Liabilities:**i. Measurement**

All financial liabilities are recognized initially at fair value and in the case of loans, borrowings and payables recognized net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings.

ii. Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through the Effective Interest rate (EIR) amortization process.

I. Revenue recognition:

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company assesses promises in the contract that are separate performance obligations to which a portion of transaction price is allocated.

Revenue from the sale of goods is recognized at the point in time when control of the asset is transferred to the customer, generally on the delivery of the goods.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold, and services rendered is net of variable consideration on account of various discounts, schemes, rebates offered by the Company as part of the contract.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price, the Company considers the effects of variable consideration, the existence of significant financing component, non-cash component and consideration payable to the customer like return, allowances, trade discounts, liquidated damages and volume rebates.

Sales are disclosed excluding net of sales returns, service tax, value added tax and Goods and Service Tax (GST).

i. Other Income:

- i) Other income is comprised primarily of interest income and gain / loss on investments. Interest income is recognized using the effective interest method.

J. Employee benefits:

i. Short-term obligations:

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employee's services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

ii. Provident Fund:

Contribution towards provident fund for employees is made to the regulatory authorities, where the Company has no further obligations. Such benefits are classified as Defined Contribution Schemes as the Company does not carry any further obligations, apart from the contributions made on a monthly basis.

iii. Gratuity:

The Company provides for gratuity, a defined benefit plan (the "Gratuity Plan") covering eligible employees in accordance with the Payment of Gratuity Act, 1972. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. The gratuity plan in Company is funded through annual contributions to Life Insurance Corporation of India (LIC) under its Company's Gratuity Scheme. The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The Company's liability is actuarially determined (using the Projected Unit Credit method) at the end of each year. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of government bonds. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to equity in other comprehensive income in the period in which they arise. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

K. Borrowing costs:

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

Other borrowing costs are expensed in the period in which they are incurred.

L. Taxation

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in India. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

M. Provisions and Contingencies:

i. Provisions

Provisions for legal claims, product warranties and make good obligations are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.

Long-term provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money. Short term provisions are carried at their redemption value and are not offset against receivables from reimbursements.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

ii. **Contingent Liabilities**

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

iii. **Contingent Assets**

Contingent Assets are not recognised but are disclosed in the notes to the financial statements.

N. **Earnings per Share:**

i. **Basic earnings per share**

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the company, excluding any costs of servicing equity other than ordinary shares.
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

ii. **Diluted earnings per share**

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional ordinary shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

O. **Exceptional items:**

Certain occasions, the size, type or incidence of an item of income or expense, pertaining to the ordinary activities of the Company is such that its disclosure improves the understanding of the performance of the Company, such income or expense is classified as an exceptional item and accordingly, disclosed in the notes accompanying to the financial statements.

2.2 **Recent pronouncements:**

On March 31, 2023, the Ministry of Corporate Affairs (MCA) has notified Companies (Indian Accounting Standards) Amendment Rules, 2023. This notification has resulted into following amendments in the existing Accounting Standards which are applicable from April 1, 2023.

- i. Ind AS 101 – First time adoption of Ind AS – modification relating to recognition of deferred tax asset by a first-time adopter associated with (a) right to use assets and related liabilities and (b) decommissioning, restoration and similar liabilities and corresponding amounts recognised as cost of the related assets.
- ii. Ind AS 102 – Share-based Payment – modification relating to adjustment after vesting date to the fair value of equity instruments granted.
- iii. Ind AS 103 – Business Combination – modification relating to disclosures to be made in the first financial statements following a business combination.
- iv. Ind AS 107 – Financial Instruments Disclosures – modification relating to disclosure of material accounting policies including information about basis of measurement of financial instruments.
- v. Ind AS 109 – Financial Instruments – modification relating to reassessment of embedded derivatives.
- vi. Ind AS 1 – Presentation of Financials Statements – modification relating to disclosure of 'material accounting policy information' in place of 'significant accounting policies'.
- vii. Ind AS 8 – Accounting Policies, Change in Accounting Estimates and Errors – modification of definition of 'accounting estimate' and application of changes in accounting estimates.
- viii. Ind AS 12 – Income Taxes – modification relating to recognition of deferred tax liabilities and deferred tax assets.
- ix. Ind AS 34 – Interim Financial Reporting – modification in interim financial reporting relating to disclosure of 'material accounting policy information' in place of 'significant accounting policies'.

The Company is evaluating the amendments and the expected impact, if any, on the Company's financial statements on application of the amendments for annual reporting periods beginning on or after 1 April 2023.

(i) Fair value hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are (a) recognized and measured at fair value. To provide an indication about the reliability of the inputs used in determining fair value, the Company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Financial Assets and Liabilities measured at fair value - recurring fair value measurements

As at 31st March, 2023	Notes	Level 1	Level 2	Level 3	Total

Total Financial Assets		-	-	-	-
Financial Liabilities		-	-	-	-
Total Financial Liabilities		-	-	-	-

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes mutual funds that have quoted price. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no transfers between levels 1 and 2 during the year.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels at the end of the reporting period.

(ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of the remaining financial instruments is determined using discounted analysis (if any).

45 Financial Risk Management

In the course of business, the company is exposed to certain financial risk that could have considerable influence on the Company's business and its performance. These include credit risk and liquidity risk. This not explain the sources of risk which the entity is exposed to and how the entity manage the risk.

The company's board of directors has overall responsibility for the establishment and oversight of the company's risk management framework.

The Board of Directors review and approves risk management structure and policies for managing risks and monitors suitable mitigating actions taken by the management to minimize potential adverse effects and achieve greater predictability to earnings.

(A) Credit risk Management. :

Credit risk is the risk of financial loss to company if a customer or counter party to a financial instrument fails to meet its contractual obligations.

The company has not made any investments in financial instruments hence company's financial risk arises from the company's receivables from customers.

Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the credit worthiness of customers to which company grants credit terms in the normal course of business.

i) Trade receivables:

The Company's exposure to credit risk is influenced mainly by individual characteristics of each customer. Credit risk is managed through credit approvals, establishing credit limits and continuously monitoring the creditworthiness of the customer.

The Trade receivables consist of a large number of customers, spread across the country comprising primarily the manufacturers.

The average credit period on sales of goods is 70 days. The Company's trade and other receivables consists of a large number of customers, hence the Company is not exposed to concentration risk.

ii) Cash and Cash equivalents:

As at the year end, the company held cash and cash equivalents of Rs.0.62 Lacs (31.03.2022 Rs. 1.14 Lacs).

B) Liquidity risk management:

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as and when required.

The Company manages the liquidity risk by maintaining adequate cash reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities. "

(i) Maturities of financial liabilities

The tables herewith analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.
